

Dear Shabbat Service/Potluck Participants,

Thank you so much for coming to our event. I think everyone who attended had a good time and was happy to participate in a Shabbat service. Jack put together a lovely service, and we're always glad to see him and Sharon when they drive down all the way from Phoenix.

The food was yummy as always, the camaraderie was enjoyed by all, and Sandee's Clubhouse is the perfect venue!

The SHJC Planning Committee
