SHJC Salon For Members
And Prospective Members

WHEN: Saturday, August 26, 2 PM

WHERE: Members' Home

TOPIC: What experiences am I
likely to share with other Jews?

Among Jews, a common focus is on differences that separate one Jewish group from other groups, and each Jewish individual from other individuals. This salon will give us an opportunity to explore and perhaps discover characteristics and experiences that each of us might have in common with other Jews.

Let's start with labeling ourselves as a Jew. Have you experienced consequences because of that label? Together, we can share and learn.
